Old Cate Rd closure

GLYNN COUNTY, Ga.- Glynn County Public Works will be closing the 100 block of Old Cate Rd. from Saddle Brook Trace to Touchstone Pkwy. County staff will be replacing aged drainage pipes underneath the road with new, more permanent pipes. This portion of Old Cate Rd. will be closed Tuesday November 29th and Wednesday November 30th. Homeowner access will be maintained, but all through traffic will be directed to use New Cate Rd. as a detour. This project is part of the County's ongoing replacement program of aging infrastructure.

For questions on the project, contact Ben Pierce with Glynn County Public Works at 912-554-7744.
