## **Glynn County names Director of Community Services**

GLYNN COUNTY, Ga.- The Glynn County Board of Commissioners would like to announce that John R. Powell has been named Director of Community Services. As Director of Community Services, Powell will manage and supervise all operational areas of the Community Services Department to include fire, emergency medical, emergency management, animal control, and recreation services.

Powell has most recently served as a law enforcement, public safety, and security consultant at the local, national, and international level. He was previously employed as the Director of the Florida Division of Alcoholic Beverages and Tobacco's Department of Business and Professional Regulation. Powell has also served as Chief of Police for Dothan, Ala., Wilson, N.C., and Hartsville, S.C. Powell holds a Bachelor's degree in Criminal Justice and Master's of Public Administration.

"We are excited to welcome John Powell to Glynn County. He has an extensive background in management that will be essential for his duties as Community Services Director. John has demonstrated passion and a level of dedication to public service throughout his career, and we look forward to him joining the County's leadership team," Alan Ours, County Manager.

Powell will begin his employment with Glynn County on January 4, 2016.
