## **JWSC project to cause upcoming road and lane closures**

GLYNN COUNTY, Ga.- The Brunswick-Glynn County Joint Water Sewer Commission will begin work on the project referred to as PS2032 which will replace a 30-year old 8-inch force main with a 16 -inch force main for wastewater discharge using horizontal drilling technology. The area affected by construction is along Frederica Rd., between North Harrington Rd. and Palmetto St.

The project will begin in January 2017 and is expected to be complete by July 2017. Phase 1 (Frederica Rd.) is scheduled to last from January to April of 2017. Phase 2 (Palmetto St.) will begin in April and last until June. The following time frames are estimates. Exact dates will be determined when construction begins. Traffic controls will be present, where necessary, throughout the project.

### Road and lane closures

#### S. Harrington Road:

- Closed for two 12 to 24-hr windows during pipe pullback
- Should occur end of January

#### Palmetto Street:

- No more than one lane closed at the intersection with Frederica Road.
- Should occur end of March to end of April

#### 3<sup>rd</sup> and 4<sup>th</sup> Ave:

- Through traffic closed

- Should occur 18 days in April

West of 6<sup>th</sup> Avenue:

- One lane closure
- Should occur 18 days in April

#### Pedestrian Path Detour on Frederica Road

Harrogate Road:

- Detour between North Windward Drive and Palm Drive, to be used during course of construction on Frederica Road east shoulder.
- Should occur mid-February to mid-March

Palm Drive and Colonial Drive:

- Closure of path segments and temporary reroute of path into Sea Palms Golf Course property, to be used during course of construction on Frederica Road east shoulder.
- Should occur mid-March to early April

PSAs will be issued throughout the project to alert the public of upcoming road closures for specific areas of construction. Regular project updates will be available on BGJWSC's website: [www.bgjwsc.org](http://www.bgjwsc.org).

Media wishing to make further inquiries on the project should contact Todd Kline, Senior Engineer, with the Brunswick-Glynn County Joint Water Sewer Commission at 912-261-7126. .
