JWSC work along Frederica Rd. continues

GLYNN COUNTY, Ga.- The Brunswick-Glynn County Joint Water Sewer Commission has begun work on the project referred to as PS2032 to replace a 30-year old 8-inch force main with a 16-inch force main for wastewater discharge along Frederica Rd. on St. Simons between North Harrington Rd. and Palmetto St.

As work continues along Frederica Rd., motorists are advised to anticipate minimal, intermittent lane closures in the following locations on the following dates:

- January 27 – January 30: Frederica Rd. and South Harrington Rd.
- January 23 – January 30: Frederica Rd. and N. Windward Dr. (Sea Palms)
- January 30 – February 16: Frederica Rd. and Longpoint (south of Major Wright Rd.)
- February 16 – March 10: Frederica Rd. and Palm Dr. (Sea Palms)
- March 10 – March 20: Frederica Rd. and Palmetto St.

The work in these locations will occur on weekdays only. In addition, lane closures will not take place during peak school traffic hours to include 7:00 a.m. to 9:00 a.m. and 3:00 p.m. to 5:00 p.m. Efforts will be made to maintain maximum traffic flow throughout the project. Flaggers will be on hand to direct traffic as necessary.

Media wishing to make further inquiries on the project should contact Todd Kline, Senior Engineer, with the Brunswick-Glynn County Joint Water Sewer Commission at 912-261-7126.
