GLYNN COUNTY, Ga.- The Glynn County Board of Commissioners has called for a **mandatory evacuation** for **ALL OF GLYNN COUNTY** effective at 8:00 a.m., Friday, September 8, 2017, in anticipation of Hurricane Irma. **Residents should evacuate immediately.**

Following Governor Deal's declaration of a State of Emergency, the Glynn County Board of Commissioners and the City of Brunswick have issued a State of Emergency for Glynn County. During the period of the State of Emergency, a curfew will be in effect from midnight to 6:00 a.m. until Tuesday, September 12, 2017. County offices and courts will be closed starting 12:00 noon on Friday, September 8, and will remain closed on Monday, September 11 and Tuesday, September 12.

Impacts from Hurricane Irma are expected to be felt in Glynn County beginning Saturday night. As the storm gets closer to our area, impacts will continue to amplify. Damaging winds, heavy rain, and flooding are likely. Life threatening storm surge is possible with large destructive surf. Dangerous rip currents and significant beach erosion is anticipated. These weather conditions are likely to cause downed trees and power outages that could last for several days.

Republic Services is suspending trash collection immediately for Glynn County and the City of Brunswick and will not pick up any garbage, recycling, and yard waste until further notice. Residents are requested to have their solid waste containers tied down and secured prior to evacuating.
