## Hurricane Dorian Update #11

GLYNN COUNTY, Ga.- Glynn County, the entire City of Brunswick, and Jekyll Island are experiencing the outer rain bands of Hurricane Dorian. The entire County is still under a Storm Surge Warning and a Tropical Storm Warning. The evacuated zone A is under a Hurricane Watch with a potential of hurricane force winds on the barrier islands. At this time, the worst of the storm is yet to come. Shelter in a safe place in your home away from windows. Stay off the roads if possible.

The F. J. Torras Causeway WILL NOT close unless deemed dangerous or impassable to allow for public safety to respond for as long as possible.

The Brunswick-Glynn County Joint Water Sewer Commission has no plans to shut down water or sewer service. The status of service is dependent upon power in most cases. To see real time status of services, potential storm damage and weather reports go to the Glynn County EMA dashboard at: <http://tinyurl.com/EMAdashboard>.

Treat intersections with power outages as a 4-way-stop. Do not drive through deep or flowing water on the roadway, especially at night.

A curfew remains in effect from 10:00 p.m. to 6:00 a.m for the evacuated Zone A of Glynn County and the entire City of Brunswick. The Jekyll Island Authority also has a curfew in effect. The Jekyll Island Causeway and the Sidney Lanier Bridge are the only roadways closed at this time.

Republic Services trash pickup continues to be suspended and will resume when conditions allow.

For the most updated information, call the Glynn County customer service line at 912-554-7111. Use 911 only for emergencies. If you are not already registered to receive emergency alerts through the CodeRED system, please sign up at this address: <https://glynncounty.org/671/CodeRED>.

There are several closures at this time.

- The Southeast Georgia Health System will remain open throughout the storm and the hospitals will continue to care for inpatients, including maternity patients. The [Emergency Care Centers](#) will also remain open. All outpatient services and elective surgeries scheduled for Tuesday, Wednesday and Thursday, September 3-5, 2019 are cancelled and patients will be contacted to reschedule procedures. All Southeast Georgia Physician Associates practices, including the [Immediate Care Centers](#), will be closed until Friday, Sept. 6. Patients will be contacted to reschedule appointments.
- Glynn County, Brunswick, JWSC, and the Glynn County School system offices, including all courts are closed until Friday September 6, 2019. All meetings for these entities are cancelled that this time through Thursday.
- Jekyll Island Authority offices and amenities are closed until further notice.

- The College of Coastal Georgia has cancelled classes, closed the dorms, and will suspend all non-essential operations through Friday, September 6, 2019. Visit [www.ccgga.edu](http://www.ccgga.edu) for updates.
- The Federal Law Enforcement Training Center (FLETC) has evacuated the campus.
- The Coastal Pines Golden Isles Campus will be closed through Monday.
- Sea Island will close at 12:00 p.m. until further notice.

We will continue to monitor conditions and updates will be available at [www.glynncounty.org](http://www.glynncounty.org) and on the Glynn County EMA Facebook daily. To stay informed on Jekyll Island-specific updates, visit <https://www.jekyllisland.com/weather-alert/>. We advise the public to use the latest forecast models from the National Weather Service Jacksonville to stay informed between updates.
