

The Board of Commissioners is currently considering projects to include on a SPLOST Referendum in May 2020. The following has been identified by county staff as possible projects to be included on the referendum. This list is a draft and is subject to change. Projects may be removed from or added to this list, and the list of projects is being prioritized by county staff to provide to the Board. The Board of Commissioners will then hold a special called meeting in October 2019 to discuss and select the projects that will be included on the referendum.

SPLOST 2020 Planning List - Draft		Estimated Cost
Road and Resurfacing Projects		
	Glynco Parkway Widening – US 17 to Spur 25
