PSA: Updated: East Beach Causeway and Demere Road Intersection Closure

Glynn County Ga., In order for Glynn County Public Works to facilitate the completion of the roundabout at East Beach Causeway and Demere Road, the intersection will continue to be closed to all traffic until Tuesday, September 22, 2020 due to the constant rain during the last week. This is an additional two days beyond the previous schedule.

The approaches to the intersection on Demere Road between Mallery Street and Old Demere Road will be closed to through traffic as well as the approach on East Beach Causeway. Local traffic will have access to homes and businesses, but must approach from the appropriate side as the intersection will be completely closed and not allow any traffic into the construction area.

Signage will continue to direct motorists to detours:

- All through traffic travelling South towards the intersection on Demere Road will be detoured to the Frederica Road and Kings Way.
- All through traffic travelling North on Demere Road from the Pier Village area will be detoured along Arnold Road and Ocean Boulevard to reach East Beach or Frederica Road via Kings Way.

Motorists should expect delays and Glynn County Police and the Public Works Traffic Division will be on site to assist with traffic movement, if necessary. Plan your arrival and departure times accordingly. Please be courteous to each other. For more information contact Glynn County Public Works at (912)-554-7746 For a listing of road closures and ongoing projects visit:
